« **Come train in France !!** »

For the next “World Fencing Championships”, held in PARIS from November 4<sup>th</sup> to 13<sup>th</sup>, 2010, the Organizing Committee and “France Sport” offer delegations the opportunity to arrive into France and train in the best possible conditions before the Event.

The Organizing Committee and “France Sport” have listed 20 different training venues, all over our country, with ideally equipped and situated facilities to host high level fencing teams.

The following map shows the Cities that have expressed the wish to host foreign teams in their preparatory phase before the World Championships. The markings show international airports, TGV stations and distances to Paris.

“France Sport” is a non-profit making agency specialized, since 1988, in the welcome and the logistical organisation of sports training camps in France, and will take good care of you during this final camp.

You will then benefit from “France Sport’s” preferential rates and have a single point of contact from start to finish.

See you soon in France!
